

Selling Your Car Detailing Package

Benefits to detailing before selling:

- The like-new appearance will make your car stand out from the rest and sell at a much faster rate!
- Gets you the highest possible sell or trade in value.
- Prevents loss of profit due to car carrying costs (insurance, registration, repairs and etc.).

Selling your Car Package (Full Detail) Includes:

Exterior

- Door, trunk and hood jams are degreased
- Wheel wells are cleaned of debris
- Tires and wheels are cleaned
- Car is hand washed with a pH balanced, non-abrasive car soap
- Bugs, tar and tree sap are removed
- Car is chamois dried to prevent scratching
- Paint correction is performed—as needed
- Chrome is cleaned and polished
- Wheels are polished or protected (depending on type)
- Tires are dressed
- All plastic is cleaned (including plastic convertible windows)
- Windows and side view mirrors are cleaned

Interior

- Ashtrays are emptied and cleaned
- Interior and trunks are vacuumed (includes floor mats)
- Pre-spot and steam clean carpet, floor mats, trunk and interior upholstery with an extraction system (as necessary)
- Headliner and sun visors are delicately cleaned
- Dash, console, door panels, vents and seatbelt buckles are cleaned
- Windows and vanity mirrors are cleaned with fog-free cleaner
- All plastic and wood surfaces are treated.
